June 9, 2025

Dear South Holland School District 151 Families,

Registration for the 2025-26 school year is now open for all new and returning students! The first day of school will be **Wednesday, August 6, 2025**. If your child(ren) will be enrolled at Taft, Eisenhower, Madison or Coolidge next school year, please register your child(ren) for the new school year as soon as possible. This will help us to prepare for your child(ren) to return to school on the first day.

We are asking all families to register their children for school **as soon as possible**. All students (new and returning) must be registered for the new school year. **Please keep reading for some important information about registering your child for school.**

Online Registration

Once again, ALL returning students will be registered online using the **PowerSchool Parent Portal**. The PowerSchool Parent Portal is an online system that can be accessed from any computer with internet access 24 hours a day 7 days per week. This gives our families the flexibility to register at a time that is convenient for them. Please log in to the PowerSchool Parent Portal and click the link to register your children for the 2025-26 school year.

Information about registering for the 2025-26 school year can be found on our district website (www.shsd151.org). Families with returning students who have questions or need assistance with registration can contact the district office at **708-339-1516**.

If you need to come into the district office to provide residency or other paperwork or to get assistance, we encourage you to call ahead to make an appointment.

If your child is new to School District 151, please visit our district website (www.shsd151.org) for information about starting the registration process. Families of **ALL** new students must come to the district office to provide the required documentation. Residency documentation is required for ALL students who are new to the district.

School Calendar

The 2025-26 School Calendar is now available. Please note that South Holland School District 151 will continue to use a Balanced School Year Calendar for the upcoming school year. There will be three Intersessions. Schools will offer intersession programs in October, January, and April.

Ready Day One!

Once again, we are providing our "Ready Day One" program as an incentive to complete the registration process! Each student that is registered for the 2025-26 school year will receive a clear backpack with some of their school supplies! All students will be required to use clear backpacks. One will be provided for all students who register. We want to ensure that every child is ready to start school on day one! Thank you for your support.

Sincerely,

Dr. Teresa Hill
Superintendent of Schools

It is the mission of South Holland School District 151, in collaboration with parents, communities and businesses, to be committed to educational excellence by providing opportunities in a wholesome, nurturing environment; preparing all students to become lifelong learners and productive citizens, who can meet the challenges of society.
