THE BIDE

Biweekly District Events Newsletter

Congratulations!

Madison students in Ms. Williamson and Mrs. Orth/Mrs. Beensterboer's room competed in a math tournament called "Equations." Students were competing in pairs of two. The object of the game is to create an equation using the cards in your hands of the given number. The catch is you must use at least two operations. The ultimate winner of the game was Sofia Ayala in Mrs. Orth's class.

Sofia Ayala was the tournament winner!
